Emmanuel Chukwu

Software Developer And CS Student

Since beginning my coding journey in 2021, I have cultivated a strong foundation in web development and graphics design. Proficient in modern technologies such as HTML, CSS, JavaScript, MERN Stack, PHP, SQL, and responsive CSS design, I specialize in creating user-friendly, intuitive digital experiences. Additionally, I bring expertise in graphics design using Adobe Photoshop and Illustrator. I am currently expanding my skill set by learning Python and Java, driven by a passion for continuous learning and innovation. Dedicated to collaboration and contributing to open-source communities, I aim to deliver creative and impactful digital solutions that blend technical proficiency with artistic vision.
